Attn: Adam Ragan, Reports Analyst

Reference: Your Letter Dated September 1, 1998
July 15 Quarterly Report (4/1/98-6/30/98)

Dear Mr. Ragan:

We are in receipt of your letter regarding an error in the year to date (column B) amounts for operating expenditures in the July 15 Quarterly Report. Upon review we found that an employee who was updating contributor information deleted a vendor who was also a contributor. He did this with the idea that he was eliminating a duplicate record. The result was to eliminate historical information of payments to this vendor. I have corrected this error and in doing so I have produced a new, amended FEC Form 3 which I am submitting to you with this letter. The year to date amounts in column B now agree with the sum of the prior column B and the current period column A. There is no change to the supporting schedule, Line 17, because the disbursements to this vendor were correctly reported in the prior April 15 Quarterly Report.

We appreciate you bringing this error to our attention.
